INTRODUCTION

This planner (agenda) is being provided to all 1st-8th grade students as a guide to the school year, rules and regulations, and as a timeline for projects to be completed throughout 2022-2023. It will also help to develop organizational skills, which are imperative for academic and personal success. The cost of the planner is included in the book fee. If lost, you can get a replacement, while supplies last, by sending \$10.00 to your child's teacher.

PARENT / STUDENT AGENDA USE

*To maximize the effectiveness of the agenda, please review and sign the agenda nightly **after checking your child's homework**. In addition, please utilize the agenda as a communication tool between the home and the school.*

SCHOOL FEES

Mt. Greenwood School collects the following school fees that help to cover the expense of consumable materials and school materials. Payment plans are available if needed. Any books lost or destroyed will need to be replaced or purchased by the parent/guardian. If fees are not paid in full, any money sent in for PTO, sports, or field trips will first be applied to outstanding book fees.

NSF CHECKS

Personal checks returned for non-sufficient funds will be assessed a \$34.00 fee.

REGISTRATION

New families to our school need to produce 3 proofs of residency along with a picture ID, the child's birth certificate and any school records from their previous school. Any current family may need to produce current proofs of residency upon request of the school at any time.

BUILDING HOURS/SCHOOL HOURS

Supervision on the playground is provided at 7:45 a.m. Opening activities begin at 8:00. Tardy bell rings at 8:05. Dismissal is at 2:45. Friday dismissal at 2:15. VACATIONS

We discourage family vacations during the academic year. Valuable instructional time is lost due to vacations. Teachers are not required to provide, accept or grade missed work due to vacations. Vacations will result in an unexcused absence. If teachers do give work it is due back the first day back in session. Zero's will be recorded for all missing work or work not assigned due to vacations

VISITORS

ALL visitors entering Mt. Greenwood School, including CPS personnel, parents, and community members **MUST** go directly to the office to state the nature of your business and receive a visitor's pass.

STUDENT ABSENCE/TARDINESS

Parents or guardians must call school before 8:15 a.m. whenever a child will be absent (535-2786). Upon return to school, please send a note or your child will be marked truant. Children with ten or more unexcused absences are considered chronic truants by the State of Illinois. Children who are late must sign in outside of the office and receive a tardy slip in order to gain admittance into class. Excessive tardiness will result in making up the tardy time at the end of the day. Attendance at school is required for participation in any afterschool functions. I.e. sports, dances, etc. **If a child is absent 3 consecutive days a note from the doctor indicating they may return to school is required.**

HOME VISITS/RESIDENCY

To ensure residency requirements are met, school staff will do ongoing home visits. If you relocate, it is the parent's responsibility to inform the office

immediately. Periodically the office will request updated proof of residency from our families.

PARENT CONNECTION

Parents in grades 1-8 may access ASPEN to review their child's grade. For access please contact the school office. Parents of kindergarten students may access to review attendance.

HOMEWORK REQUEST

To request homework for a student that has an excused absence, the request **MUST** be made to the school prior to 8:15. Requests made after 8:15 may not be honored. Parents are to pick up the work from the main office between 2:45-3:00 the day of absence. For excused absences students have one day for each day absent to turn in all missing work and make up any assessments. Failure to do so results in a zero for the assignment. Assessments will be administered on the day the student returns.

HOMEWORK

Homework is an essential part of academic growth. Students will have homework every night. At the discretion of the teacher, students may not receive homework on Friday. Please review your child's homework nightly to ensure that it was done to the best of their ability and sign the planner verifying that you saw the homework.

PARTY INVITATIONS

DOLCH BASIC WORDS LIST

The Dolch words are the 220 most frequent found words in books that children read. These words are usually learned in K-2 grade; student who learn these words have a good base for beginning reading. Many of these words cannot be sounded out because they do not follow decoding rules, so they must be learned as sight words. One way of estimating a primary student's reading level is by having the student identify the 220 Dolch Basic Sight Words. The number of words recognized is the basis for assigning his/her equivalent reading level.

The scale is as follows:

# of Dolch words Recognized	Estimated reading level
0 – 75	Pre-primer
76 – 120	Primer
121 – 170	1 st year
171 – 210	2 nd year
