

Dear Mt. Greenwood Families,

As we move back to in-person learning, Ivy League Kids will be available for before and after school programming from 6:30am until school starts and after school until 6:00pm. Take advantage of our flexible scheduling to work with your schedule.

Along with the school, we are taking all COVID safety measures such as mask wearing, social distancing and extra cleaning and sanitizing. This will affect the type of program we typically run with physically distanced activities such as arts and crafts, educational movies, STEM projects and homework help. Our program directors have been working extra hard to get those after school wiggles out while keeping it SAFE and FUN.

Please see additional pricing sheet for more information. If you are not registered for this school year, registration is open at www.ivyleaguekids.org or call us at 815-464-1265 to add your child to the schedule.

Thank you!
